If a client needs to be Arraigned on the Warrant (AOW) for a Felony Non-Support case

And

the charges were brought by the *Wayne County Prosecutor's office*: call Sgt. Chris Smith Wayne County FOC Enforcement 313-224-0165 and he will tell you which investigator is handling your client's case.

Or

the charges were brought by the *Michigan Attorney General's office*: call the AG Child Support Division 313-456-3885 and they will direct you to the investigator who is handling your client's case.

Then

Speak with the investigator and make arrangements to have your client turn themselves into them and they will get arraigned the same day (no need to go through the precinct). You can also work out the bond amount with them ahead of time. It is recommended you do not have the client turn themselves in on a Monday due to the high volume of weekend arrests.
